

THE 2016 ART OF SCIENCE CONTEST RULES

PHOTOMICROGRAPHY OF ZEBRAFISH, XENOPUS, AND OTHER AQUATIC SPECIES

1. DEADLINE FOR SUBMISSION is September 30, 2015. Files may be submitted by email (Subject line: Calendar Contest) to: wendyf@aquaneering.com or by mailing a CD to the following address: Aquaneering, Inc., 7960 Stromesa Ct., San Diego, CA 92126, ATTN: Art of Science Contest. No images will be accepted after midnight on September 30, 2015.
2. All photomicrography images submitted must be created by the entrant depicting studies with zebrafish, xenopus frogs, or other aquatic species raised in a laboratory setting. Up to 2 images may be submitted per person.
3. The following guidelines for file format MUST be followed: Files must be jpeg only, 300ppi, sized to 8x10" or 8x8". Zipped files are acceptable. All images must be accompanied by an entry form, which can be emailed to you. Files must be labeled as follows: LastnameFirstname01.jpg (or LastnameFirstname02.jpg if 2 files are sent).
4. Description of image(s) must be included on entry form including the disease or condition being studied, the body part depicted in the image, and the dyes (if any) used for labeling. Descriptions may be used for publication. Please describe in language that a **layperson** could understand.
5. Contest is open to researchers, students (undergrad or graduate) and post docs. No employees of imaging equipment manufacturers or dealers are eligible. No employees of Aquaneering, Inc. or any other manufacturer or dealer of Aquatics Housing are eligible. All entrants must be affiliated with a university, college, medical school, hospital, or research facility.
6. Judging will be done by an outside panel of photography, science, and art professionals. Decision of the judges is final. Award recipients will be notified by December 2015. The top three images will be featured on the 2016 Art of Science Calendar.
7. PRIZES: ● **First Prize – \$1,000** ● **Second Prize - \$750** ● **Third Prize - \$500**
8. **PEOPLE'S CHOICE AWARD:** The five finalists will be featured on the Aquaneering Instagram page for a popular vote. The image with the most "likes" by the deadline of November 13, 2015 at 5:00 pm PST will be featured on the 2016 Art of Science t-shirt. Proceeds from the sale of the t-shirts will benefit a scholarship fund to send a first-time attendee to the annual Zebrafish Husbandry Workshop and Meeting. Applications for this scholarship will be available in August 2016.
